Tuesday, January 16, 2018

Financial Report – presented by Jamie on behalf of Wendy

Funding requests:

RVE Citizenship Fair (1st-5th) - approved

Career fair – approved

Science Museum “Solids, Liquids, Gases” presentation for 2nd grade –approved

Como Zoo “Fur, Feathers, Scales” presentation for Kindergarten – this is a change from their previous request to have a Children’s Museum presentation – approved

Principal Report – Dr. Kim Grengs:

Started NWEA testing

Kindergarten registration January 25th

No school 1/22, Flexible Learning Day 2/16

Friend on FB and check Twitter – this is the place where all announcements go, and is the easiest place to get information

Upcoming Events:

Another book fair, luncheon – these are in progress, no updates at this meeting

Pep Fest/Family Fun Night – 2 possible dates in April (13th & 27th), discussion around options, group decided on April 13th

Discussion around tickets vs. just an admission cost

Tickets were difficult to manage in the past

Would need a small admission fee to cover costs of bounce houses (this was previously provided as part of our agreement with Chip Shoppe)

North Trail does a DJ only and invites the Boy Scouts in to sell hot dogs, etc.

Should we consider skipping the bounce houses?

Should we do a different theme for photos (Paris, or other things like that)?

Consider inviting in local business to provide activities (the businesses would pick up the expense of providing the prizes); or we could provide some small carnival games

Email Gretchen and/or Jamie with ideas for Family Fun Night

This is a partnership between parents and staff who are dedicated to providing educational and social opportunities for our students. You, the RVE families, are the foundation for what the PTP is able to accomplish

Riverview Elementary Parent Teacher Partnership

Request to do a volunteer exchange with Meadowview for their Family Fun Night (which is on 4/27)
Maybe we should set a limited number (5 or 10) because it might be tricky to get volunteers for another Friday night

Read-a-thon will happen over Spring Break again; PTP ran this last year
Just need to get a packet together and send the instructions out via e-blast

PTP Project Teams

- **PIE:** no update, no issues
- **Tiger Pantry:** no update
- **Free Money:** \$360-ish accrued this year (against a goal of \$1300) should be at ½ of our goal in the next month or two; possibly doing 1 week or 10 day contest in the classrooms to earn a reward (pajama day); Erin is working on Shoparoo, Amazon Smile is on hold pending 403 status; Dr. Grengs will send out a reminder on Shoparoo
- **Spirit Wear:** Holiday shopping night event – sold about \$600 worth of clothes that night, there was a preschool program going on that night which increased revenue; right before holidays they tested a couple of Saturday opens during elementary open houses (very, very successful); just put in a large request of new clothes, hope to have that in time for conferences and would like to add a few more open dates; #1 selling item in youth boys Under Armour shirt, #2 is gray Tiger Pride sweatshirt; samples available during meeting to see
- **Book Fair:** another book fair coming in March, looking to see who will take over for next year to shadow for spring book fair and the May BOGO book fair; Jen & Courtney will both be vacating their roles after this year; best if we can have 2 people; suggestion to put out in e-blast to request volunteers; Dr. Grengs would like a description of the role to send out; it's a fun role!!
- **Volunteer Coordinators:** no recent requests for volunteers; suggestion to see if anyone wants to help plan Family Fun Night, if PTP members want to help they should email Gretchen
