

The Tiger Pantry is closing for the Summer!

Hello Riverview Families,

Another school year is coming to an end and, with that, the Tiger Pantry will be closing for the summer. Any food items that are still at Riverview will be packed up on **Tuesday, June 13, 2017**, and donated to the Farmington Food Shelf. What does that mean for you? Now is the time to stock up for summer! If you are in need of anything from the Tiger Pantry, or if you know of anyone who could use a little help with some groceries over the summer months, please stop by Riverview in the next few days and load up some bags! We would love to see everything from the Tiger Pantry be distributed to local families in need! You do not need to fill out any forms or even talk with anyone to use the Tiger Pantry at Riverview. Just stop by the school anytime the building is open and fill up some bags with healthy food for your family. However, if you are in need of additional grocery help over the summer months, further assistance may be available to you. Please contact 360 Communities at (952) 985-5300 or <https://www.360communities.org>.

On a personal note, I would like to take a minute or two to thank each and every family at Riverview who donated food, who donated their time, who talked to their children about helping others through giving...your acts of kindness have been inspiring! Because of the Tiger Pantry, families at Riverview have made a lasting impact on our community. I believe that this impact will have a powerful ripple effect, reaching far beyond the walls of our school. I am humbled by your generosity and by your commitment to make a difference. Thank you!

Sincerely,

Michelle Ronnebaum
Tiger Pantry Coordinator 2016-17
